James and Barney Taylor, who have been here for a number of years, left to-day for St. Paul, Minn., where they intend to remain during the summer and then return.

The settlers of Red Deer Hill are bound to have a straight road into town, thereby shortening the distance considerably. They have turned out with their horses, plows and compass and levelled the road for a considerable distance in their own time and at their own expense. Enterprise of this kind is worthy of encouragement. It is to be hoped the new Assembly will do their best to encourage our citizens in all such undertakings.

TOWN COUNCIL.

The Town Council held an adjourned meeting on Friday evening last. His Worship Mayor Bain presiding. The councillors present were: McPhail, Stewart, Agnew, Johnson, Knowles and Davis.

The minutes of the last meeting were read and adopted.

ACCOUNTS.

The following accounts were ordered to be paid: J. D. Hanafin, \$150; Thos. Hourie, 75 cents.

The principal business before the council this evening, and also that which is of vital importance to the town, is the laying before the council the amount of money expended so far and that required to be expended on the different improvements this year. The consideration of the estimates created quite a bit of discussion.

REPORTS.

The chairman of the Finance Committee reported that the following were the estimates for the present year:—

Board of Works, \$660; Fire Water and Light, \$500; Health and Relief, \$400; Delegates to Ottawa, \$1,100; Rent, Council Chamber, \$180; Rent, Dump Ground, \$30; Amount due P. A. C. Band, \$85; H. T. McPhillips, for directories, \$37 50; Overdrawn accounts, \$60; Wood and Light, \$50; Printing and advertising, \$75; Salaries, \$575; Sundries, \$300; Public School No. 3, \$750; R. C. School, separate, \$75.

Coun. Agnew moved and seconded by Coun. Johnson that the report of the Finance Committee be adopted.

Couns. Knowles and Davis brought in an amendment that the following estimates put in by the chairman of the Board of Works be struck out:—Estimate No. 1, \$100 to \$50; No. 2, \$15; No. 3, \$40 to 15; No. 4, \$150; No. 6, \$100 to \$25; No. 11, \$25; No. 12, sundries, \$75 to \$25.

Coun. Davis moved and seconded by Coun. Stewart, an amendment to the amendment, that the sum of \$150, that appears in the report and estimates of the Board of Works for drainage on the Government road, be struck out and that the sum of \$200 be added, for the purpose of building a sidewalk from King street to Jackson's drug store, in ward No. 3, as requested by the ratepayers of that ward in petition to the council.

The amendment and amendment to the amendment were both lost.

Moved by Coun. Davis and seconded by Coun. Knowles that the estimate for \$250 for tank, put in by the Fire, Water and Light Committee, be struck out. Lost.

Moved by Coun. Knowles, seconded by Coun. McPhail, that King street north of First street be put in repair; also that part of McKay street, in the vicinity of Third street, be put in repair and that an appropriation of \$100, for this purpose be added to the estimates. Lost.

The motion for the adoption of the report was then put and carried.

Moved by Coun. Agnew and seconded by Coun. Stewart that this council agree to build sidewalk according to request of the ratepayers of Ward No. 3. Lost.

The By-law confirming the appointment of D. Williamson as License Inspector received its several readings and ordered to be signed sealed and numbered.

The Council then adjourned.

FRIDAY, JULY 20, 1888.

THE LIEUT. GOVERNOR.

That Mr. Dewdney's successor as
Lieutenant-Governor will prove ac-
ceptable to the people of the Terri-
tories we have no doubt. Mr.
Royal is a man of great ability and
energy, and has for eighteen years
been closely and intimately con-
nected with the history of Manitoba
and the Territories. As a member
of the Manitoba Legislature, and
later as a member of the Govern-
ment of that Province, and subse-
quently as a member of the Do-
minion Parliament, he has always
worked strenuously to further the
interests of his adopted Province.
In Mr. Royal the Metis have always
had a staunch friend, and they above
all others should hail his appoint-
ment with pleasure. An absurd
prejudice appears to exist in the
minds of some people against Mr.
Royal on the grounds of his being
of French nationality. It should be
borne in mind that the Lieutenant-
Governor does not possess absolute
power, and even if so inclined can-
not do very much harm. He will be
governed largely by his Advisory
Board, the members of which will
be all English, as there is not one
Frenchman elected to the Legislative
Assembly. We predict that Mr.
Royal will be very popular as Lieut-
Governor, and that he will exercise
his high office impartially and to the
advantage of the Territories and the
benefit of the people over whom he
has been called to rule. We do not
believe in the principle of condemn-
ing a man before he has been tried,
and therefore we ask for our Govern-
or a fair trial, confident that at the
end of his term there will be a unan-
imous verdict given in his favor.
The office of Lieut.-Governor of the
Territories is not by any means a
sinecure. There is more to do now
than sign permits, and there is prob-
ably no office in Canada requiring
the same amount of statesmanship
than the management of our affairs,
but Mr. Royal will we believe—
through his ability and knowledge
of the country—rise equal to the
occasion.

NORTHWEST ASSEMBLY.

The elections being over and all
returns made, it is now definitely
known who constitutes the first
Legislative Assembly of the North-
west Territories. All the representa-
tives from Saskatchewan are good
men, and we believe that the in-
terests of the District will be closely
watched by them. It is true none

of them have had any experience in
Legislative work, but they are all
men of sound sense and capable of
learning, and as they all have the
interests of their constituents at
heart, the lack of experience will not
be a great detriment. Eleven out of
the twenty-two members have heret-
ofore held seats in the Northwest
Council. Politically the character
of the present Assembly is strongly
Conservative. There are eighteen
Conservatives elected and four Lib-
erals. It is true the elections, except
in a few constituencies, were not
conducted on party lines, but if the
question of party should unfortu-
nately creep into the Assembly, the
Conservatives would have a large
majority. We trust that at the end
of three years our members will
have secured many benefits for their
District, and that Saskatchewan will
have so advanced in population and
importance as to entitle it to a full
measure of Provincial responsibility.
Government.

We are pleased to be able to an-
nounce that the banquet given to D.
H. Macdowall, M.P. for Saskatche-
wan, under the auspices of the
Liberal Conservative Association of
Prince Albert, was a most gratifying
success in every particular. The
number present was very large, and
included not only Conservatives, but
Liberals as well, some of whom in
the course of their remarks expressed
their satisfaction at Mr. Macdowall's
conduct as our representative. We
will publish an extended account of
the banquet in our next.

1. Any person who kindles or places, or is a party to kindling or placing fire in the open air in any part of the Territories, except for camp or domestic purposes, or for clearing land in the months of December, January, February, or March, except as hereinafter provided, shall on conviction thereof pay a fine not exceeding \$200, with costs of prosecution, and in default of payment be imprisoned for a term not exceeding six months. Provided always that a person may at any time kindle a fire if he has present during the whole time of the burning six persons with proper appliances for putting out fires, or without such assistance, inside a ploughed break not less than ten feet wide.
2. Any person who kindles or is a party to kindling a fire in the open air for any of the purposes allowed in the next preceding section, and allows such fire to escape, shall, on conviction, be liable to a fine not exceeding \$100, with costs of prosecution; and in default of payment, be imprisoned for a term not exceeding three months.
3. Nothing in this Ordinance shall bar or prevent the owner of private property from recovering damages from any offender against the first and second sections of this Ordinance.
4. Prosecutions under this Ordinance shall be in a summary manner.
5. The Lieut. Governor may appoint fire guardians having the power to enforce the provisions of this Ordinance, who, together with all magistrates, shall have the power to call out any male person within five miles of prairie fires, to proceed at once, and help to extinguish said fire; and any person refusing to do so shall be liable to a fine of \$10.
6. It shall be the duty of all peace officers, upon view of any infraction of any of the enactments of this Ordinance, forthwith to arrest the offender, and without warrant bring him before a Justice of the Peace to be dealt with according to law.
7. Ordinances No. 21 of 1885 and No. 18 of 1886 are hereby repealed.

MARKING OF STOCK.

An Ordinance to Amend and Consolidate as Amended the Marking of Stock Ordinance, 1884.

(Passed Nov. 19th, 1887.)

Be it enacted by the Lieut. Governor of the Northwest Territories, in Council, as follows:—

1. In this Ordinance the word "brand" shall mean brand or mark or vent brand, and the word "stock" shall include any horse, mule, ass, swine, sheep or goat, as well as any neat cattle or animal of the bovine species.
2. The Lieut. Governor may, whenever he thinks it desirable that the provisions of this Ordinance should apply to any part of the Northwest Territories, set apart by proclamation any portion thereof, to form and be known as a stock district, and designated by a number, commencing with "one," and so on, as different districts are set apart.
3. The Lieut. Governor shall name a person who shall be recorder of brands for the district so formed, whose office shall be kept at a place to be designated by the Lieut. Governor.
4. The Lieut. Governor shall name two suitable persons, who, together with the recorder, shall form a Brand Committee for the district.
5. The Brand Committee shall meet at the office of the Recorder of Brands at least once in every month to consider applications for recorded brands according to priority of application to the recorder, and shall designate the particular brand to be used by any applicant, and define the place and position it shall occupy on the animal, consulting always the choice or convenience of applicants, so far as may be, without interfering with previously recorded brands.
6. The recorder shall keep a record of all brands with a fac-simile of the same, the name and residence of the person owning the same, in a book suitable for that purpose (which book shall be paid for by the Lieut. Governor out of the General Revenue of the Northwest Territories, and shall be the property of the

Northwest Government, and shall be free to the inspection of all persons interested), and shall furnish to any person, on application, a certified copy of any brand so recorded, which certificate shall be deemed evidence in law.

7. Any person using a like brand in the position or place recorded by another, or obliterating, altering or defacing the recorded brand of any other person, shall be liable on conviction in a summary manner, before a Justice of the Peace, to a fine of not more than \$100, and in default of payment of such fine to imprisonment not exceeding forty days for each offence.
8. It shall be the duty of every person who sells stock to another party to brand such stock with a vent brand, which vent brand shall not in any case be placed in such a position as to obliterate or efface the original brand, and where any such vent brand shall have been branded as above, it shall be prima facie evidence of sale or transfer.
9. Every person recording a brand shall also at the same record and register his vent brand.
10. If any person hereafter shall brand or cause to be branded any stock the property of another person, without that other person's consent, he shall pay the owner of the same three times the value of the animal so branded, and any such owner may sue for and recover the same in any court of competent jurisdiction.
11. The owner of any recorded brand may, by writing, transfer the same to any person, who may record the transfer, and the transferee shall have thereafter all the rights of the person who first recorded it.
12. The presence of a recorded brand on any animal shall be prima facie evidence of the ownership of such animal by the owner of such brand.
13. The following fees shall be payable to the recorder: for recording each brand, \$2; for each certified copy of every recorded brand, 50c; for every search for brand, 25c.
14. The Recorder shall, on the 1st day of the month of January and July in each year, make a return to the Lieutenant-Governor, worded on oath before a Judge of the Supreme Court, showing the emoluments of his office during the six months next preceding.
15. All brands or marks recorded by Charles E. D. Wood, acting as Recorder of Marks for Stock District No. 1, are hereby ratified and confirmed as properly recorded under Ordinance No. 14 of 1884.
17. Ordinance No. 14 of 1884 is hereby repealed.
18. This Ordinance may be cited as "The Brand Ordinance, 1887."

EVERY NIGHT I SCRATCHED

Until the skin was raw. Body covered with scales like spots of mortar. Cured by CUTICURA Remedies.

I am going to tell you of the extraordinary change your CUTICURA REMEDIES performed on me. About the 1st of April last I noticed some red pimples coming out all over my body, but thought nothing of it until some time later on, when it began to look like spots of mortar spotted on, and which came off in layers, accompanied with itching. I would scratch every night until I was raw, then the next night the scales, being formed meanwhile, were scratched off again. In vain did I consult all the doctors in the country, but without aid. After giving up all hopes of recovery, I happened to see an advertisement in the newspapers about your CUTICURA REMEDIES, and purchased them from my drugist, and obtained almost immediate relief. I began to notice that the scaly eruptions gradually dropped off and disappeared by one, and I have been fully cured. I had the disease thirteen months before I began taking the CUTICURA REMEDIES, and in four or five weeks was entirely cured. My disease was eczema and psoriasis. I recommended the CUTICURA REMEDIES to all in my vicinity, and I know of a great many who have taken them, and thank me for the knowledge of them, especially mothers who have babes with scaly eruptions on their heads and bodies. I cannot express in words the thanks to you for what the CUTICURA REMEDIES have been to me. My body was covered with scales, and I was an awful spectacle to behold. Now my skin is as fine and clear as a baby's.

PUBLIC SCHOOL CLOSING.

On Friday last our public school closed for the holidays, and in the evening the children gave a recital, which would have done credit to pupils of more mature age, and we must say that the entertainment was one of the very best given in Prince Albert. The prizes that were awarded at the close of the winter term, March 31st, were presented. They were given for regular attendance and general proficiency in the principal subjects taught. The prizes for regular attendance were given by the Board of Trustees to all who had attended a certain number of days during the winter term. The prizes for general proficiency were donated by the Hon. L. Clarke, Col. Sproat and Messrs. Betts, Pritchard, Way and A. Goodfellow. The programme was a long one, but the little folks did so well that the time seemed short. The recitations and dialogues were well rendered and the singing was remarkably good. The building was crowded and many had to take an outside seat and a view through the windows, and others stood in the ante-room. The work was performed with great precision so that during the rendering of the thirty-six pieces everything went off like a charm and reflects great credit on the teachers, Miss McGregor and Mr. Stull. After the distribution of prizes Mr. Betts, chairman of the Board of Trustees, spoke in very flattering terms of the high state of efficiency attained by the pupils of the school. Short addresses were also delivered by the Rev. Dr. McKay, Principal of Emmanuel College; the Rev. Mr. Campbell, Principal of the High School; the Rev. Dr. Jardine and the Rev. Mr. Howard. The evening's proceedings closed by the children singing God Save the Queen.
